

CHRISTMAS MESSAGE - TENT OF NATIONS - 2019

Dear friends of Tent of Nations in the Netherlands,

Greetings to all of you from Bethlehem, the birthplace of our Lord Jesus Christ.

In some days many people all over the world including us will celebrate Christmas. It is very special for us to celebrate Christmas on the spot where the "Word became Flesh". Many people around the world will celebrate in their churches, with their families and with their beloved ones. It is the time to celebrate the LOVE of God to our broken world.

Today many people are facing political, economical, social and other challenges that makes it difficult for them not to be victims and to keep their hope alive. They are in need of someone to encourage them to stand up and to act even in a difficult and challenging situation. It is the time to celebrate Life that is stronger than death, to celebrate the Light that overcomes the darkness of our world and to celebrate the true love, that God gave to us through Jesus Christ to be able to love one another and to continue to be HIS Witness in this world.

Last February, we had the chance to be with many of you during the week we spent in the Netherlands. It was great to see many of you at the Friends Event. It was a real gift for us, to see how many people who are standing with us and are supporting the work we are doing. We want to thank you all for the time we spent there, for all the inspiring meetings and talks, and for all the solidarity with our cause. We came back very enthusiastic and full of energy to continue our journey for justice, knowing that we are not alone in this struggle.

Here at the Tent of Nations, although we are still struggling on different levels, but our spirit is high and our hope is big and we will continue with our mission that is based on faith, love and hope to inspire people and to encourage them to make a difference wherever they are. We are blessed with all friends and volunteers who came from the Netherlands and other countries to visit and to help with our activities and programs. We want to thank all who came to see and then went back home to share our story with other people.

Thank you so much for all your prayers and support.

We wish you a blessed Christmas and a happy new year 2020, a new year of love, of light and peace.

Blessings and Salaam from Bethlehem

Daoud & Jihan and all the Nassar Family
